The Sigma Alpha Epsilon Fraternity sponsored its annual fashion show. The models paraded down a runway showcasing a variety of clothing designs. The event was attended by many, and the audience praised the creativity and talent of the designs. Following the runway show, a formal dance was held at the Sigma Alpha Epsilon house.

German's Spring Formal
Held By Alpha Tau Omega

Alpha Phi chapter of Alpha Tau Omega fraternity held its annual German spring formal Friday night at Spring Lake Country Club.

Sponsors for the evening add to: Ann Lytkerd for Pringle Boys, president; Bruce Hynum for Mike Stanley, vice-president, Mary Lee Smith for Danny Bass, treasurer; Bob Hambrecht for Blank Anthem, secretary; Donna Bryant for Jim Stroth, president. The Shelby, Keeper of America; Gonzal Osorno for Bill Kennedy, module chairman; and Dennis Heintz for donors, donors.

Whether it's a long, black dress or a short, flirty one, the women were all dressed to the nines. The dance floor was packed with guests enjoying the music.

Black And Gold
Held By Phi Kaps

The Phi Kaps began their annual Black and Gold event on Saturday, the 15th of April. This was an informal dance which the brothers and their dates attended. Saturday night there was a ballroom followed by a formal dance in the Bond Hall Broom. It was an evening that the fraternity presented their college dance. Outstanding senior athlete was Jim Goodwin, the senior senior my opinion. You Folks. The Victor Laurie Scholarship is presented to a Phi Kaps. This year's award went to Jim Ross. Perry in Bond.

The Phi Kaps headed the Lindfield Inn for their beach party. The highlight of the week consisted of a delicious buffet served on the beach with the band (the band was the Sandals). The Phi Kaps were led by victory by the outstanding pledge of Shirley Louise and the coaching wisdom of Jim Goodwin. At the banquet the new officers were announced and the new executive was honored. The new executive is Donna Ross, Phi Omega, who is pleased to Perry. Retained as the new executive was USSR. One of the highlights of the evening was that the brothers did their own presentation. They have to be thrown in the pool. After this there was an announcement for the whole party to go to the Tau. All in all, a night of fun and frolicking, everyone had a good time.

The “Progress Corps” comes to the Fair

General Electric men and women have been gathering at the New York World's Fair, bringing the latest developments from the world center of electricity.

They've made their pavilion—Progressive—entertaining. It's a bright show, enhanced by the master showmanship of Walt Disney.

But, more than that, it's your chance to see, as in no other way, the career opportunities offered in the electrical industry. Here, under one huge dome, is assembled a full range of the electrical ideas that are helping millions of people throughout the world progress toward better living.

There are new electrical ideas for medicine that promise better patient care in our hospitals. Ideas for more efficient factories, less-congested transportation, better community living, increased highway safety, and more comfortable living at home.

And there's the first large-scale public demonstration of nuclear fusion—the energy process of the sun. For you, Progression is a rare chance to see General Electric. Exhibition material can offer in terms of a meaningful career in engineering, financing, marketing, law, sales and many other specialties.

If this looks like your career path, talk to your placement director. He can help you recognize your interest and where your career lies at General Electric.

Progress Is the Most Important Product
